Dear Mr. Petrie:

Attached are an original and four (4) copies of this cover letter and revised local exchange tariff pages for Range Telephone Cooperative, Inc. (Range). The purpose of this filing is to replace vacation service with number reserve service. Customers of the former will be converted to the latter and the effective rates to the customer will be lower (SLCs won't apply).

Please contact me at (307) 347-7010 or jhendricks@rtcom.net with questions or concerns about this filing. Upon Commission approval, please date-stamp and provide one copy of the filing to Rob Stephens, CEO at Range.

Sincerely,

A handwritten signature in black ink, appearing to read "J. Hendricks", is written over a horizontal line.
